Somewhat support: 11%
Somewhat oppose: 6%
Strongly oppose: 8%
Not sure: 11%

I will now read you a few brief statements you may hear about this amendment that may be on your November ballot. Please indicate after hearing each statement whether you would be more likely or less likely to support the ballot measure.

Q8: Opponents of the *Only Citizens Vote Amendment* say that it is unnecessary, because non-citizens are currently not permitted to vote anywhere in North Carolina. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 52%
Somewhat more likely: 15%
Somewhat less likely: 7%
Much less likely: 11%
No difference: 14%

Q9: Supporters of the *Only Citizens Vote Amendment* point out that non-citizens are now being permitted to vote in cities across the country — in California, Maryland, New York, and Vermont. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 54%
Somewhat more likely: 15%
Somewhat less likely: 7%
Much less likely: 13%
No difference: 12%

Q10: Opponents say the *North Carolina Only Citizens Vote Amendment* is merely an attempt to whip up anti-immigrant sentiment in this election. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 45%
Somewhat more likely: 16%
Somewhat less likely: 8%
Much less likely: 13%
No difference: 17%

Q11: Supporters say the *North Carolina Only Citizens Vote Amendment* is not about immigration, it's about citizenship — preserving voting rights for U.S. citizens, who should be the only voters in all elections. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 61%
Somewhat more likely: 14%
Somewhat less likely: 5%
Much less likely: 9%
No difference: 11%

Q12: Opponents say allowing non-citizens to vote in local elections would show support for the immigrant community in North Carolina. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 43%
Somewhat more likely: 16%
Somewhat less likely: 8%
Much less likely: 14%
No difference: 20%

Q13: Supporters say that only a statewide amendment will require voter approval before non-citizens in North Carolina could be granted the vote. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 50%
Somewhat more likely: 17%
Somewhat less likely: 7%
Much less likely: 9%
No difference: 17%

Q14: Last December, the New York City Council passed a law granting more than 800,000 non-citizens the right to vote in all city elections. Does knowing this make you more or less likely to support the ballot measure?

Much more likely: 54%
Somewhat more likely: 11%
Somewhat less likely: 7%
Much less likely: 13%
No difference: 15%

Now, sometimes in a survey like this people change their minds. I will read you the original ballot measure again.
