| IDAHO CONSTITUTIONAL AMENDMENT |
| <p>This proposed constitutional amendment provides that only Idaho residents who are citizens of the United States are eligible to vote in elections in the State of Idaho and that noncitizens are not eligible to vote in any election in the State of Idaho. Currently, Section 2, Article VI of the Constitution of the State of Idaho provides: "every male or female citizen of the United States, eighteen years old, who has resided in this state, and in the county where he or she offers to vote for the period provided by law, if registered as provided by law, is a qualified elector." This provision does not expressly prohibit noncitizens from voting. The proposed amendment adds language to provide that only United States citizens may vote in elections in the State of Idaho.</p> |
| <p>Question: Shall Section 2, Article VI of the Constitution of the State of Idaho be amended to provide that individuals who are not citizens of the United States may not be qualified electors in any election held within the State of Idaho?</p> |
| <p>A YES vote would approve the proposed Constitutional Amendment for additional language providing that only United States citizens may vote in elections in the State of Idaho.</p> |
| <p>A NO vote would make no change to the Idaho Constitution.</p> |
